#### **Game-Day Notes:**

- We will be play two matches at a time (using both fields), so please work with us to have your machine functioning when you get to the field and to get on/off the field in an efficient manner.
- **Adults may not work on the machines. Teams will be given a warning for the first violation and will be disqualified from a match for the second and every subsequent violation. BEST is for the kids - help us keep it that way.**
- We will supply pit tables for you. Items that you bring into the pits must fit either **on** or **under** your table. Please do not bring large tool cases etc into the pits - you will be asked to remove these from your table area.
- We will provide one power outlet in each team's pit area. This outlet is intended for charging the R/C batteries and for other low-power devices including a laptop computer for programming the Cortex.
- **Food is not allowed in the Pit Area.**
- **Drinks are not allowed in the Pit Area.**
- Absolutely no silly-string, confetti, glitter, or anything else that would make an incredible mess. Streamers are OK as long as you clean them up. No Helium balloons (regular air-filled balloons should be ok).
- Banners are acceptable, **but you may not use duct tape** to hang them. Masking tape is OK.
- **No outside food or drink** may be brought into the Convocation Center. This means if you didn't buy it at the concession, you may not bring it in (this is a St. Mary's contractual obligation, not just an SA BEST rule). However, you are welcome to picnic outside.
- **The fire doors on the concourse level in the arena should not be opened for any reason other than an emergency.**
- Concession stands will be open at 8:00 AM.
- The cafeteria in the University Center, Chick-fil-A, and the on-campus Subway are both nearby and available for lunch.
- There are several parking lots that you can use that are close to the Convocation Center
- Please take care of the facilities. We are guests and would like to be able to return next year.
